The Compass Rose Society

"I greatly appreciate the commitment that the Compass Rose Society has made to the global ministry of my office and the Anglican Communion. The Society has supported several of my predecessor's initiatives including the Anglican Observer to the United Nations, the Bible in the Life of the Church, and theological textbooks for seminary libraries and, during my tenure, the Continuing Indaba project."

~ The Most Reverend and Right Honourable Justin Welby
Archbishop of Canterbury

"The Anglican Communion is one of the largest networks of human connection in the world. I give abundant thanks for the ongoing ministry of the Compass Rose Society to help enable continued ministry to and with people in various contexts throughout the world."

~ The Most Reverend Katharine Jefferts Schori,
former Presiding Bishop & Primate, The Episcopal Church

Supporting the global ministry of the
Archbishop of Canterbury in the Anglican Communion

The Compass Rose Society

supports the mission, education and ecumenical relations work of the Anglican Communion. Founded in 1994 at the Old Palace in Canterbury, the Compass Rose Society has become an invaluable resource to the Anglican Communion both in financial support and in sharing the stories of work being done to maintain and improve unity in the Communion. Yet, much still needs to be done...

Comprised of individuals, chapters, parishes and dioceses, the membership of the Compass Rose Society participate in the work of the Anglican Communion through their financial contributions and through:

- Communion visits
- Study trips exploring the roots of Anglican faith
- The annual meeting in London with an address from the Archbishop of Canterbury followed by a question and answer session, dinner and worship
- Connecting with other members with the same passion for service as we collectively work toward world-wide reconciliation

Unique to this Society is the personal connection you can make to your contributions. Many have found the pilgrimage to our Anglican roots and an opportunity to meet the Archbishop of Canterbury a compelling and meaningful experience. Others have been moved by a particular communion visit and have been able to direct donations in support of that cause; and still others find a personal ministry in expanding the membership of the Compass Rose Society as a way to highlight the need for unity and our calling toward mission.

Communion visits have included: Northern Ireland and the Republic of Ireland...Wales and Scotland...Jerusalem and the Holy Land...The Diocese of the Highveld, South Africa...Hong Kong and mainland China...Spain and Portugal...Cuba...the Dioceses of Tanzania, Mexico and more.

Won't you join us?
